

President and CEO of Optum Pacific West Joins IKS Health Advisory Board

Dallas, TX, 6 October, 2021 – [IKS Health](#), a premier physician enterprise enablement platform, today announced that Dr. Amar Desai, President and CEO of Optum Pacific West will join the company's Advisory Board.

Guiding IKS Health's strategic direction and helping the company better understand market trends, the IKS Health Advisory Board is comprised of leaders from across the healthcare industry. Current members include executives from medical groups, industry consultancies, digital health companies and healthcare non-profit companies.

"We are thrilled to have Dr. Amar Desai join our growing list of industry innovators that make up our Advisory Board," said Sachin Gupta, Founder and CEO of IKS Health. "As a go-to resource for organizations looking to scale, improve quality and achieve cost savings, Dr. Desai will help IKS continue to enhance our delivery of exceptional healthcare for physicians, medical groups and health systems."

Dr. Amar Desai works at the intersection of direct patient care and health care systems, overseeing Optum Pacific West's care delivery organizations throughout California, Oregon, and Washington, which collectively include more than 25,000 physicians serving nearly 2.6 million patients. On joining the Advisory Board, Dr. Desai said, "Developing scalable delivery models that improve clinical outcomes, increase affordability and transform patient experiences have been at the heart of my work since my time as a physician and remain true today in my role at Optum. I am excited to continue this journey by helping position IKS Health as a world-class healthcare solutions company."

About IKS Health

[IKS Health](#) enables the enhanced delivery of exceptional health care for today's practicing physician, medical groups and health systems.
