## IKS Health Welcomes John Whitham as Chief Commercial Officer

**February 29, 2024 – Dallas, TX** – IKS Health, a provider of global care enablement solutions to revitalize the clinician-patient relationship while empowering healthcare organizations to thrive, proudly announces the appointment of John Whitham as its Chief Commercial Officer. John will lead IKS Health's hospital and health system go-to-market teams, driving growth and delivering transformative value to healthcare organizations.

John's tenure as a partner and growth leader at Guidehouse, coupled with 20 years of management consulting experience, will help IKS Health accelerate growth, while continuing to deliver 'Best in KLAS' and 'Top Ranked Black Book' solutions that enable clinicians and their enterprises to deliver better, safer, more efficient care across the continuum of care delivery.

His experience is anchored in collaboration and innovation, aligning organizational goals with client needs to drive sustainable growth. His efforts will focus on leveraging synergies following the integration of IKS Health and AQuity Solutions, and continue to serve many of the largest hospitals, health systems, and specialty groups in the United States.

"John's appointment marks an important moment for IKS Health," noted Joe Bernadello, Chief Growth Officer at IKS Health. "His strategic acumen and deep industry knowledge will empower our teams to forge meaningful connections with healthcare leaders and accelerate innovation and drive mutual success."

"It's an honor to join IKS Health at such a transformative time in the healthcare industry," John acknowledged. "I look forward to working closely with our talented team to foster strategic partnerships with our clients, enhance financial performance, and add tangible value."

### About IKS Health

IKS Health takes on the chores of healthcare—spanning administrative, clinical, and operational burdens—so that clinicians can focus on their core purpose: delivering great care. Combining pragmatic technology and dedicated experts, IKS enables stronger, financially sustainable enterprises. IKS's Care Enablement Platform delivers data-driven value and expertise across the care journey, and IKS is a partner for clinician enterprises looking to effectively scale, improve quality and achieve cost savings through forward-thinking solutions. Founded in 2006, IKS's technology-enabled solutions and global workforce supports large health systems, medical groups and risk bearing entities across the United States.
